FREE EARLY EDUCATION ENTITLEMENT SCHEME (FEEE)

Kensington Wade is currently participating in the Government's FEEE (Free Early Education Entitlement) scheme. This scheme provides funding for 15 hours of childcare per week for eligible children. A child is eligible from the term AFTER they turn 3 until the term IN WHICH they turn 5 (compulsory school age).

The mandatory Early Years Foundation Stage statutory framework requirements are covered within the FEEE hours for eligible pupils, which are 8am-11am each day. Some additional educational provision sessions and services are also provided within those hours and are chargeable. The sessions are taught in Chinese on two mornings and in English on three mornings.

*Invoices for pupils in receipt of funding show the total cost of all additional hours, services and educational provision **after the deduction for the funded offering of £100.80 per week** on a separate line and is applied equally across the 3 terms. **NB the funding amount may change each April.** These termly costs are outlined in full on the next page. Due to the differing term lengths, the amount of funding differs also. The Autumn Term is 13 weeks, Spring Term is 11 weeks and Summer Term 11 weeks.*

Please note: Full time attendance is the optimal attendance requirement to achieve a full immersive bilingual education.
