¹ Working together to improve school attendance 2024 states schools are expected to designate a "Senior Attendance Champion" (SAC) - a senior leader with overall responsibility for championing and improving attendance in school and liaising with pupils, Parents and external agencies. The SAC is expected to sit on the SLT and their name and contact details must be included in the school's attendance policy (see paragraphs 15, 25 and 26)

² Schools should populate this with their key contact details for attendance. This may for example be the SAC and school reception (where parents should report non-attendance).

1 Aims

- 1.1 This is the attendance policy of Kensington Wade.
- 1.2 The School aspires to high levels of attendance from all pupils. Good attendance is essential for all pupils to get the most out of their school experience, including their attainment, well-being and wider life chances.
- 1.3 The aims of this policy are as follows:
 - 1.3.1 to develop and maintain a whole school culture that promotes the benefits of good attendance;
 - 1.3.2 to ensure, so far as possible, that every pupil in the School is able to benefit from and make their full contribution to the life of the School;
 - 1.3.3 to prioritise and where possible improve attendance and punctuality across the School, to reduce absence in order to prevent children becoming children missing education (**CME**), and set out the School's approach to the management of absence / non-attendance;
 - 1.3.4 to recognise the linkages between attendance / absence and pupil wellbeing, specifically ensuring a consistent whole school approach to safeguarding; and
 - 1.3.5 to help to promote a whole school culture of safety, equality and protection.

2 Scope and application

- 2.1 This policy applies to the whole School [including the Early Years Foundation Stage (**EYFS**)]³⁴.
- 2.2 This policy is designed to address the specific statutory obligations on the School to record attendance and absence.

For independent schools with an EYFS setting it is important to note the explanatory note to the Regulations for Regulation 10 which states that "attendance is to be recorded in the same way regardless of the pupil's age.". Please also see paragraph 285 of [Working Together to improve school attendance](#) which states that, "...the appropriate national attendance and absence code must be entered for every pupil (of both compulsory and non-compulsory school age)".

⁴ Paragraph 3.12 of the [EYFS statutory framework for group and school-based providers 2025](#) states that, "Providers must have an attendance policy that they share with parents and / or carers."

- 3.1.8 Equality Act 2010; and
- 3.1.9 Data Protection Act 2018 and UK General Data Protection Regulation (**UK GDPR**)

4 Publication and availability

- 4.1 This policy is published on the School website.
- 4.2 This policy will be sent to Parents when pupils join the School, and Parents will be reminded of it at the beginning of the school year⁶ and when the policy is updated.
- 4.3 This policy is available in hard copy on request.
- 4.4 A copy of the policy is available for inspection from the School Office during the school day or via the school website during the School day.

5 Definitions and interpretation

- 5.1 Where the following words or phrases are used in this policy:
 - 5.1.1 references to **attendance** include references to attendance for all or part of the timetabled school day.
 - 5.1.2 references to the **Proprietor** are references to the Executive Board.
 - 5.1.3 references to a **Parent** means:
 - (a) all natural parents, whether they are married or not;
 - (b) any person who has parental responsibility for a pupil; and
 - (c) any person who has day to day responsibility for a pupil (i.e. lives with and looks after a pupil).
 - 5.1.4 References to a **pupil** includes anyone who is receiving an education at the school except a person who is 19 or over for whom further education is being provided, or a person for whom part-time education suitable for people over compulsory school age is being provided.⁷

⁶ The DfE guidance on [Working together to improve school attendance](#), paragraph 29, states that parents should be reminded of the policy at the beginning of each school year. However, if this doesn't happen in practice schools should remove this wording.

⁷ This is the definition as set out in section 3 of the Education Act 1996 and referred to in chapter 7 of the statutory guidance [Working together to improve school attendance 2024](#).

5.1.5 References to **children missing education (CME)** mean children of compulsory school age who are not registered pupils at a School and are not receiving suitable education otherwise than at School.⁸

5.1.6 **SSAC** means the School's senior attendance champion

6 Responsibility statement and allocation of tasks

6.1 The Proprietor has overall responsibility for all matters which are the subject of this policy.

6.2 The Proprietor recognises that improving attendance is a school leadership issue and has appointed a designated senior leader to have overall responsibility for championing and improving attendance in School, referred to in this policy as the SSAC.

6.3 To ensure the efficient discharge of its responsibilities under this policy, the Proprietor has allocated the following tasks:

Task	Allocated to	When / frequency of review
Keeping the policy up to date and compliant with the law and best practice	SSAC	As required, and at least termly
Monitoring the implementation of the policy	SSAC	As required, and at least termly
Analysing attendance and absence data	SSAC	As required, and at least termly
Seeking input from interested groups (such as pupils, staff, Parents) to consider improvements to the School's processes under the policy	SSAC	As required, and at least annually
Formal annual review	Proprietor	Annually

7 The importance of good attendance

7.1 The School recognises the importance of developing good patterns of attendance from the outset. This is an integral part of the School's ethos and culture. In building a culture of good school attendance it recognises:

7.1.1 the importance of good attendance, alongside good behaviour, as a central part of the school's vision, values, ethos, and day to day life;

7.1.2 the interplay between attendance and wider school improvement efforts, building it into strategies on attainment, behaviour, bullying, special educational needs

⁸ In line with the DfE's children missing education: statutory guidance, children missing education are not children who are registered at a School, even if they are persistently or severely absent from that School.

support, supporting pupils with medical conditions and / or disabilities, mental health issues, safeguarding wellbeing, and support for disadvantaged pupils;

- 7.1.3 the importance of setting high expectations for the attendance and punctuality of all pupils and communicating these regularly and effectively to pupils and Parents;
- 7.1.4 that attendance is never "solved" and is a continuous process requiring revision and updating of messages, processes and strategies; and
- 7.1.5 children missing education can act as a vital warning sign to a range of safeguarding issues, including neglect, sexual abuse and child sexual and criminal exploitation.

8 School responsibilities

- 8.1 The School acknowledges that attendance is the essential foundation to securing positive outcomes for all pupils and that everyone has a responsibility to take proactive steps to manage and improve attendance across the School community.
- 8.2 The School will consistently promote the benefits of good attendance, setting high expectations for every pupil and consistently communicating those expectations to pupils and Parents.
- 8.3 Where there are challenges to attendance, the School will work effectively and respectfully with pupils, their families and, where appropriate, local authorities to address them.
- 8.4 The School will respond to non-attendance and / or lateness proactively, firmly, consistently and with care, with appropriate reference to this policy, its safeguarding and behaviour policies and the School's terms and conditions. It will act in a proportionate and targeted way in response to data or intelligence and ensure intervention is regularly reviewed.
- 8.5 The School will have robust systems in place to track and record attendance, reasons for absence and patterns at an individual level and by cohorts or groups in order to identify pupils at risk of non-attendance, those at risk of becoming CME, and those who are persistently absent and it will monitor and analyse this data regularly to facilitate early intervention to address issues.

9 Staff responsibilities

The SSAC

- 9.1 The Proprietor has appointed a senior member of staff of the School's leadership team as SSAC to have overall responsibility for championing and improving attendance in school. Details of the individual appointed are at the front of this policy and are widely publicised within School.
 - 9.1.1 The SSAC's responsibilities are:
 - (a) to set a clear vision for improving attendance in school;
 - (b) to establish and maintain effective systems for tackling absence and make sure the systems are followed by all staff;
 - (c) to regularly monitor and evaluate progress, including the efficacy of the school's strategies and processes;

- (d) to have oversight of and analyse attendance data; and
- (e) to communicate clear messages on the importance of attendance to pupils and Parents.

Staff with specific responsibilities for attendance⁹:

- 9.2 The staff identified in Appendix 1 of this policy have day to day responsibility for monitoring and promoting good attendance and punctuality. They should:
- 9.2.1 have a formal routine for registers being taken accurately each morning and afternoon;
 - 9.2.2 record all absences promptly and accurately using the processes specified;
 - 9.2.3 seek explanations of absences required from pupils on their return to School;
 - 9.2.4 make enquiries about unexplained absences¹⁰, including those within the school day, and follow up with pupil to ensure that an explanation has been formally given to the School;
 - 9.2.5 look out for trends or patterns in a pupil's attendance, including early indicators of poor attendance and changes in attendance, and inform the SSAC of any specific concerns;
 - 9.2.6 deal with lateness to lessons consistently and promptly;
 - 9.2.7 consider appropriate sanctions for pupils who arrive late to a lesson in line with the School's behaviour and discipline policies; and
 - 9.2.8 discuss non-attendance and / or lateness with pupils and Parents (where possible) and emphasise the importance of punctuality and attendance.

All staff

- 9.3 The School ensures that all teaching and non-teaching staff know the importance of good attendance and are consistent in their communication with pupils and Parents about it.
- 9.4 The School provides appropriate training and professional development for staff consistent with their roles and responsibilities.

10 School arrangements

- 10.1 The School will accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence. These registers must be kept electronically. Contact details of relevant staff can be found at the front of the policy and

⁹ The School should provide information and contact details of the staff who pupils and parents should contact about attendance on a day to day basis (such as a form tutor, head of year etc) and for more detailed support on attendance (such as a head of year, pastoral lead or family liaison officer etc) in Appendix 1

¹⁰ Paragraph 3.11 of the [EYFS Statutory Framework](#) 2025 states that "If a child is absent for a prolonged period of time, or if a child is absent without notification from the parent or carer, attempts must be made to contact the child's parents and / or carers and alternative emergency contacts."

other details about the School's arrangements can be found in Appendices Appendix 1- Appendix 4.

11 Monitoring attendance

11.1 The School will undertake regular data analysis to identify and provide additional support to pupils or pupil cohorts that need it, and to look at historic and emerging patterns across the School and develop strategies to address them. Such analysis may include:

- 11.1.1 monitoring and analysing weekly attendance patterns and trends¹¹ and provide support in a targeted way to pupils and families, including by identifying early indicators of poor attendance and changes in attendance at individual pupil, cohort and year group level;
- 11.1.2 using this analysis to provide regular attendance reports to class teachers to facilitate discussions with pupils and to leaders (including the special educational needs coordinator and designated safeguarding lead);
- 11.1.3 undertaking frequent individual level analysis to identify pupils who need support and focus staff efforts on developing targeting actions for those cases;¹²
- 11.1.4 conducting thorough analysis of half-termly, termly, and full year data to identify patterns and trends;
- 11.1.5 benchmarking attendance data at whole school, year group and cohort level to identify areas of focus for improvement;
- 11.1.6 devising specific strategies to address areas of poor attendance identified through data;
- 11.1.7 monitoring the impact of school-wide attendance efforts, including any specific strategies implemented; and
- 11.1.8 providing data and reports to the Proprietor to support its work.

12 Pupil responsibilities

12.1 School attendance is important to pupil attainment, wellbeing and development. The School therefore has high expectations of pupils as to their attendance and has systems in place to reward good attendance and manage poor attendance.

12.2 Pupils should be aware that:

- 12.2.1 they are expected to be present in-person for the duration of each School day;
- 12.2.2 they are expected to arrive on time and attend all timetabled lessons;
- 12.2.3 they should not leave a lesson or the School site without permission or otherwise in accordance with School rules;

¹¹ Paragraph 3.11 of the [EYFS Statutory Framework 2025](#) states that " Providers must consider patterns and trends in a child's absences and their personal circumstances and use their professional judgement when deciding if the child's absence should be considered as prolonged."

¹² See paragraph 45 of [Working together to improve school attendance 2024](#)

- 12.2.4 they should engage with the School's arrangements for recording and managing attendance as set out in this policy;
- 12.2.5 any unexplained absence will be followed up;
- 12.2.6 persistent lateness or non-attendance will result in action being taken by the School. This may take the form of:
 - (a) offers of support to seek to identify and address any barriers to attendance;
 - (b) communication with Parents;
 - (c) reporting to other agencies such as children's social care; and
 - (d) sanctions against them or their Parents in line with the School's behaviour policies.
- 12.2.7 If pupils are having difficulties that might discourage or prevent them from attending School or specific lessons regularly, they may speak to any member of staff, although the School encourages them to speak to their teacher or those staff identified in Appendix 1 in the first instance. Pupils are entitled to expect this information to be managed sensitively.

13 Additional needs

- 13.1 The School recognises some pupils may find it harder than others to attend School, and will work with those pupils and parents to try to remove barriers to attendance by building strong and trusting relationships and working together to put the right support in place.
- 13.2 The School will make reasonable adjustments¹³ where a pupil has a disability that puts them at a substantial disadvantage, in comparison with pupils without a disability, in relation to school attendance.
- 13.3 It will also work with Parents, and where appropriate with the local authority, to develop specific support approaches for attendance for pupils with special educational needs and disabilities e.g. ensuring the provision outlined in a pupils education, health and care plan is accessed.¹⁴
- 13.4 Where a pupil has an education, health and care plan the School will communicate with the local authority where the pupil's attendance falls or the School become aware of barriers to attendance that relate to the pupil's needs.
- 13.5 In cases of both long term physical or mental ill-health, the School will facilitate any relevant pastoral support with the aim of improving attendance as much as possible whilst supporting the underlying health issue.

¹³ In this case to meet the school's duty to make reasonable adjustments for pupils with a disability under section 20 of the Equality Act 2010.

¹⁴ The Mental health issues affecting a pupil's attendance: guidance for schools states in the non-statutory summary of responsibilities document that "in many cases the school may be able to agree with parents / carers adjustments to its policies and practices that are consistent with the special educational provision set out in the EHC plan. In other cases, additional or different attendance support identified may require the LA to review or amend an EHC plan."

- 13.6 Where a pupil's health need means they need reasonable adjustments or support because it is complex or long term, the School can seek medical evidence to better understand the needs of the pupil and identify the most suitable provision.
- 13.7 Suitable strategies and support will also be considered for pupils with any social, emotional or mental health issue that is affecting their attendance¹⁵.
- 13.8 Where barriers are outside of the School's control, the School will work with Parents and pupils to identify alternative sources of support or consider, where appropriate, making a referral for early help.
- 13.9 The School will make a sickness return to the local authority if a pupil is recorded in the attendance register as absent using the national absence code I (unable to attend because of sickness) and there are reasonable grounds to believe that the pupil will have to miss 15 consecutive or cumulative school days or more for illness or the pupil's total number of school days missed during the current school year because of illness (whether consecutive or cumulative) will reach or exceed 15 school days.¹⁶

14 Parent / carer responsibilities

- 14.1 The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education.
- 14.2 This means pupils must attend every day that the School is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the School.
- 14.3 The School will help Parents to understand what is expected of them and why attendance is important to their child's attainment, wellbeing, and wider development and provide clarity on the short and long term consequences of poor attendance.
- 14.4 Expectations the School places on Parents can be found in Appendix 1 of this policy
- 14.5 Parents are bound by the terms relating to conduct and attendance in the parent contract and failure to ensure a child's attendance or engage with the School about it could amount to a breach of contract or a finding that the parent is treating the School unreasonably.

15 Training

- 15.1 **Staff:** The School ensures that regular guidance and training on attendance is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles. As a minimum this will include all staff understanding:
 - 15.1.1 the importance of good attendance and that absence is almost always a symptom of wider circumstances; and

¹⁵ See Mental health issues affecting a pupil's attendance: guidance for schools which includes a Summary of responsibilities where a mental health issue is affecting attendance and Support for pupils where mental health is affecting attendance: effective practice examples

¹⁶ See paragraph 57 of the statutory guidance [Working together to improve school attendance 2024](#)

- 15.1.2 the School's strategies and procedures for tracking, following up and improving attendance.
- 15.2 Dedicated attendance training is provided to any member of staff with a specified attendance function in their role, including administrative, pastoral or family support staff and senior leaders. This should include:
 - 15.2.1 the law and requirements of schools including on the keeping of registers;
 - 15.2.2 the process for working with other partners to provide more intensive support to pupils who need it;
 - 15.2.3 the necessary skills to interpret and analyse attendance data; and
 - 15.2.4 any additional training that would be beneficial to support pupils and pupil cohorts overcome commonly seen barriers to attendance.
- 15.3 The School maintains written records of all staff training.
- 16 Information sharing**
 - 16.1 Personal information on attendance will only be shared in line with legal obligations and having regard to government guidance on attendance, safeguarding and children missing education.
 - 16.2 The School, local authorities and other local partners should work jointly and share data on individual cases where it is of benefit to a pupil (e.g. health services where there are medical conditions or the police where there are extra-familial harms).
 - 16.3 Where enquiries following the absence of a pupil lead the School to reasonably believe that the child will not return, and no alternative provision has been confirmed by the parent, the School will make a referral to the child's home local authority CME team without delay.
 - 16.4 Where appropriate the School will attend regular targeting support meetings.¹⁷
 - 16.5 The School is legally required to share information from the registers with the local authority. As a minimum this includes:
 - 16.5.1 New pupil and deletion returns;
 - 16.5.2 Attendance returns¹⁸;
 - 16.5.3 Sickness returns.
 - 16.6 The law allows local authority officers access to the attendance and admission registers of all types of schools to carry out their functions under the Education Acts to support joint

¹⁷ Targeting support meetings are meetings local authorities have with schools to discuss attendance data and identify pupils and cohorts at risk of poor attendance and agree targeted actions and access to services for those pupils. See chapter 4 of the statutory guidance [Working together to improve school attendance](#) 2024.

¹⁸ Schools are required to provide attendance returns to the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been recorded as absent for a continuous period of ten school days where their absence has been recorded with one or more of the national attendance codes (G, N, O, and / or U). Individual local authorities must agree the frequency that attendance returns are to be provided with all schools in their area. This should be no less frequently than once per calendar month - see chapter 2 and content on sharing information in the statutory guidance [Working together to improve school attendance](#) 2024.

working between schools and local authorities. These officers are also permitted to take digital or physical extracts of the School's registers.

- 16.7 The School must provide specific pupil information on request to the Secretary of State. The School meets this requirement by having an electronic management information system containing the required information that can be accessed by the DfE¹⁹. The School also uses this tool to monitor pupil level attendance and understand trends in attendance patterns.
- 16.8 Where appropriate, the School is expected to inform a pupil's social worker and / or youth offending team worker if there are unexplained absences.

17 Record keeping and confidentiality

- 17.1 All records created in accordance with this policy are managed in accordance with the School's policies that apply to the retention and destruction of records.
- 17.2 The information created in connection with this policy may contain personal data. The School's use of this personal data will be in accordance with data protection law. The School has published privacy notices on its website which explain how the School will use personal data.

¹⁹ Local authorities may seek, and schools are expected to provide, more frequent or comprehensive sharing of data than the statutory minimum where it is essential to fulfilling their obligations under the Education Acts and expectations set out in chapter 4 of [Working together to improve school attendance](#) 2024 guidance. To avoid any unnecessary burdens for schools this should always be automatic from school registers and not require additional manual data collection / returns (see paragraph 50 of the guidance). Independent schools should note that they are not required to provide the specific pupil information on request to the Secretary of State relating to sharing daily pupil attendance data (see paragraph 52 of the guidance). We recommend independent schools consult their information management system providers for more details about the relevant permissions and accessible data..

Appendix 1 School arrangements²⁰

1 Managing attendance

- 1.1 The School monitors, records and shares data about pupil attendance as part of its duty to safeguard and protect pupils, promote attendance and prevent children becoming CME. It accurately completes admission and attendance registers²¹ as required by law and set out in 0 and Appendix 4 respectively. The admission and attendance registers must be kept electronically and retained by the School for the relevant time period as stated by law.
- 1.2 The School expects all pupils to be present at School for the whole of the School day, usually from registration at 8:15am to close at 3:30pm, but this period may be extended, for example for out of school clubs, sports fixtures or school trips.

2 The role of Parents / carers

- 2.1 The School expects all Parents to:
 - 2.1.1 make any application for an authorised leave of absence at the earliest opportunity;
 - 2.1.2 notify the School of any absence or delay as soon as reasonably possible in accordance with this policy and when doing so, give an accurate explanation for this;
 - 2.1.3 notify the School in writing if their child will no longer attend the School after a certain day and supply information to the School about how their child will be continuing to receive suitable education; and
 - 2.1.4 cooperate with the School to explore possible barriers to attendance and to improve it where attendance has been raised as an issue.
- 2.2 Parents of day pupils should ensure their child attends School by 8:15am for morning registration;

3 Registration and attendance checks

- 3.1 Morning registration is at 8:30am. However, the registration window is open from 8am to 8:45am.
- 3.2 Afternoon registration will be at 1:40pm during the first afternoon lesson. The registers will remain open for 10minutes.
- 3.3 Once the morning and afternoon registers close, a pupil will be recorded as absent if not present in the classroom / lesson.

²⁰ The School should tailor this section to ensure that its arrangements are set out clearly, covering any required content set out in the [EYFS Statutory Framework](#) 2025. Refer to footnote 23 and 24.

²¹ Boarding schools without day pupils are not required to keep an attendance register. Schools with a mixture of day pupils and boarders must keep an attendance register for the day pupils.

- 3.4 If a pupil is absent when the register started being taken, but arrives before the register is closed they will be recorded as a late arrival (code L).
 - 3.5 If a pupil arrives after the register has closed but before the end of the session without a satisfactory explanation e.g. because of an unavoidable cause, then this will be recorded as an unauthorised absence (code U) and the reasons given / not given will be recorded.
 - 3.6 The School uses E-Registration and Attendance Management Systems ²²
 - 3.7 If a child is of non-compulsory school age and are absent, the child will be marked with a X.
- 4 **Reporting absence**²³
- 4.1 If a pupil is to be absent from School for any reason, the parent / carer should contact the School Reception and the Class teacher by email or telephone by 8:00am on first morning of absence;
 - 4.2 Where a pupil is ill, the School should be notified of the nature of the illness.
- 5 **Arrangements for reporting subsequent absence**
- 5.1 Absence will be recorded on the Attendance Register as set out in [Appendix 4](#).
- 6 **Managing absence**²⁴
- 6.1 A register is taken by 8:35am to register the children.
 - 6.2 If the office and form teachers are not notified of a child's absence, then the office will attempt to call the parents/carers.
 - 6.3 Contact emergency contacts²⁵ if Parents and / or carers are not contactable.
 - 6.4 If absences become a regular occurrence and the child's attendance falls below 90%, then the SSAC will ask the parents to come into a meeting.
 - 6.5 We implement the school's safeguarding and / or missing child procedures.

²² There is no requirement for the policy to specify which systems it uses, however we have retained this wording should schools wish to include this level of detail.

²³ Paragraph 3.12 of the [EYFS Statutory Framework](#) 2025 highlights the requirement for schools with an EYFS provision to set out the expectations for reporting child absences in this policy.

²⁴ Paragraph 3.12 of the [EYFS Statutory Framework](#) 2025 highlights the requirement for schools with an EYFS provision to set out the actions the school will take if a child is absent in this policy.

²⁵ Paragraph 3.96 of the [EYFS Statutory Framework](#) 2025 states that "Where possible, settings should hold more than two emergency contact numbers for each child."

7 Authorised absences

- 7.1 Authorised absence means that the School has either given approval in advance for a pupil to be away (granted an authorised leave of absence) or has accepted an explanation offered afterwards as justification for absence.²⁶

8 Applications for an authorised leave of absence²⁷

- 8.1 Applications for authorised leaves of absence during the School day will only be granted in exceptional circumstances and will only be permitted if made in writing to Huw May at h.may@kensingtonwade.com.
- 8.2 The School will consider each application for an authorised leave of absence individually, taking into account the specific facts and circumstances, the pupil's past attendance record and the relevant background context behind the request.
- 8.3 Apart from illness or where there are additional needs, no pupil should be away from School without prior permission from the Head to grant permission²⁸
- 8.4 Dental or medical appointments should be made during School holidays or after the school day except in cases of emergency when the School Reception should be informed.
- 8.5 If a leave of absence is granted, it is for the Head to grant permission to determine the length of the time the pupil is or was permitted to be away from School. It will be recorded as an authorised absence. See section 3 of [Appendix 4](#) for more details.
- 8.6 A leave of absence will usually be authorised for religious observance if the day concerned is exclusively set apart for religious observance by the religious body to which Parents belong. Parents are expected to make a request for this type of leave of absence in advance.²⁹

9 Reporting duties

- 9.1 The School is legally required to share information from their registers with the local authority. As a minimum this includes:
- 9.1.1 **New Pupil and Deletion returns:** notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times³⁰.

²⁶ A leave of absence may be granted by the Head or other person authorised to do so by the proprietor. While the "Working together to improve school attendance" statutory guidance is not specific on this point given that regulation 11 must only be followed by schools maintained by a local authority but all schools are expected to follow regulation 11 we recommend it is a member of the school leadership team.

²⁷ Paragraph 37 of "Working together to improve school attendance" provides that all schools can grant a leave of absence when a pupil needs to be absent from school with permission, and that all schools are expected to restrict leaves of absence to the specific circumstances set out in regulation 11. The DfE practice note for independent schools dated April 2025 further states that independent schools must have regard to the statutory guidance and must follow it unless they have good reason to deviate from the Secretary of State's advice in an individual case.

²⁸ See footnote for appendix 1, paragraph 7 above also.

²⁹ Paragraph 361 of the statutory guidance provides that where a religious body sets apart a single day for a religious observance and the parent applies for more than one day, the school may only record one day using code R (religious observance) under Regulation 10. Any other days would need a leave of absence to be granted at the school's discretion under code C.

³⁰ For full details see paragraphs 211 and 219 of the Working together to improve school attendance guidance

- 9.1.2 **Attendance returns:** providing the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been absent for a continuous period of ten school days where their absence has been recorded with one or more of the codes statistically classified as unauthorised (G, N, O, and / or U)³¹.
- 9.1.3 **Sickness returns:** providing the local authority with the full name and address of all pupils of compulsory school age who have been recorded with code I (illness) and who the school has reasonable grounds to believe will miss 15 days consecutively or cumulatively because of sickness. Only one sickness return is required for a continuous period of sickness in a school year³².
- 9.2 In the event that a pupil holding a Student or Child Student visa sponsored by the School under the Points Based System goes missing³³, the School will report to UKVI if the pupil misses ten consecutive expected contact points.
- 9.3 Each time the School's attendance register is completed it is treated as a contact point for these purposes.³⁴
- 9.4 The report will be made by the School's Level 1 user via the Sponsor Management and in accordance with prevailing UKVI guidance
- 9.5 Action will also be taken in accordance with the Missing child policy and safeguarding and child protection policy if any absence of a pupil from the School gives rise to a concern about their welfare. This includes referring any concerns about a pupil to local children's social care services and instigating a police welfare check where necessary³⁵.

³¹ Local authorities must agree the frequency that attendance returns are to be provided with all schools in their area. This should be no less frequently than once per calendar month.

³² This is to help the school and local authority to agree any provision needed to ensure continuity of education for pupils who cannot attend because of health needs, in line with the statutory guidance on arranging education for children who cannot attend school because of health needs.

³³ Children being absent from school, particularly repeatedly and / or for prolonged periods and children missing education, can act as a vital warning sign of a range of safeguarding issues, including exploitation. Exploitation can affect any child, however international students may be at greater risk than other children. UKVI's Student Sponsor Guidance states that a school must have appropriate policies and procedures in place to ensure the safety, wellbeing and protection from exploitation of the children whom it sponsors to study in the UK under the Child Student route.

³⁴ The School may wish to insert its own definition of contact points e.g. just morning registration

³⁵ Paragraph 3.11 of the [EYFS Statutory Framework](#) 2025 states that "Any concerns (about a child) must be referred to local children's social care services and / or a police welfare check requested."

Appendix 3 Admission register

1 Admission register

- 1.1 In accordance with the requirements of the School Attendance (Pupil Registration) (England) Regulations 2024 the School will:
 - 1.1.1 maintain an admission register of all pupils (of both compulsory and non-compulsory school age) admitted to the School (also known as the school roll); and
 - 1.1.2 inform the local authority of any pupil who is going to be added to or deleted from the School's admission register at non-standard transition points.
- 1.2 The admission register must be kept electronically and a back-up copy of the register is made at least once a month in the form of an electronic or printed copy.
- 1.3 The school must ensure that every entry in the School's admission register is preserved for six years beginning with the day on which the entry was made; and every back-up copy of the register is preserved for six years after the end of the school year that it relates to.
- 1.4 The admissions register contains specific personal details of every pupil in the School, including their date of admission, information regarding Parents and carers and details of the school they last attended.⁴²
- 1.5 A pupil's name can only be deleted from the admission register for a reason set out in regulation 9 of the School Attendance (Pupil Registration) (England) Regulations 2024. When any of the situations set out in regulation 9 occurs, the pupil's name must be deleted.⁴³
- 1.6 Where the School notifies the local authority that the pupil's name is to be deleted from the admission register, the School must provide it with the following information:
 - 1.6.1 the full name of the pupil;
 - 1.6.2 the address of the pupil;
 - 1.6.3 the full name and address of any parent the pupil normally lives with;
 - 1.6.4 at least one telephone number of any parent with whom the pupil lives or can be contacted in an emergency;
 - 1.6.5 the pupil's future address, the full name and address of the parent who the pupil is going to live with, and the date the pupil is expected to start living there, if applicable;

⁴² Regulation 8 of The School Attendance (Pupil Registration) (England) Regulations 2024 specifies what information must be included in the admissions register. See also chapter 7 of the statutory guidance *Working together to improve school attendance 2024*

⁴³ Schools must refer to regulation 9 of The School Attendance (Pupil Registration) (England) Regulations 2024 for full details of the legal grounds for deleting a pupil from the registers. See also chapter 7 of the statutory [Working together to improve school attendance 2024](#).

- 1.6.6 name of the pupil's other or future school and pupil's start date or expected start date there, if applicable;
- 1.6.7 the ground (prescribed in regulation 9) under which the pupil's name is to be deleted from the admission register.

Appendix 4 Attendance register

1 Attendance register

- 1.1 The School records and monitors the attendance of all pupils (both of compulsory and non-compulsory school age) in accordance with the School Attendance (Pupil Registration) (England) (Regulations) 2024⁴⁴
- 1.2 The School uses the appropriate national attendance and absence codes system to enable it to record and monitor attendance and absence in a consistent way which complies with regulation 10 of the Attendance Regulations.
- 1.3 The attendance register is kept electronically and a back-up copy of the register is made at least once a month in the form of an electronic or printed copy.⁴⁵
- 1.4 The School will also use these records to identify patterns of poor attendance (at individual and cohort level) and work with pupils and Parents to resolve any issues before they become entrenched and in order to prevent children becoming CME.
- 1.5 The School is required by law to take attendance registers twice daily - once at the start of the morning session and once during the afternoon session. The School must also have regard to the expectation in statutory guidance that the attendance register is taken at the same time for all registered pupils.
- 1.6 On each occasion it will be recorded whether every pupil is:
 - 1.6.1 physically present in school when the attendance register begins to be taken; or
 - 1.6.2 absent from the school when the attendance register begins to be taken but attends before the taking of the register has ended; or
 - 1.6.3 attending a place other than the school; or
 - 1.6.4 absent.
- 1.7 The circumstances in which a pupil may be recorded as attending a place, other than the school, can include:
 - 1.7.1 attending educational provision arranged by a local authority;
 - 1.7.2 for an educational visit or trip arranged by or on behalf of the school and supervised by a member of school staff;
 - 1.7.3 attending a place for an approved educational activity that is a sporting activity;

⁴⁴ Regulation 10 of The School Attendance (Pupil Registration) (England) Regulations 2024 specifies what information must be included in the attendance register. See also chapter 8 of the statutory guidance [Working together to improve school attendance 2024](#)

⁴⁵ Registers are legal records and the School must preserve every entry in the attendance or admission register for 6 years from the date that the data was entered.

- 1.7.4 attending an approved educational activity that is work experience provided under arrangements made by the school as part of the pupil's education;
- 1.7.5 attending a place for any other approved educational activity.
- 1.7.6 Attending an interview or exam for another school.

2 Recording absence

- 2.1 Absence will be recorded in accordance with the national absence codes set out in regulation 10 of the School Attendance (Pupil Registration) (England) (Regulations) 2024 and statutory guidance Working together to improve school attendance relating to:
 - 2.1.1 leaves of absence⁴⁶;
 - 2.1.2 other authorised reasons;
 - 2.1.3 unable to attend school because of unavoidable cause⁴⁷;
 - 2.1.4 unauthorised absence.⁴⁸

3 Remote education

- 3.1 The School is required to record all absence from in-person lessons.
- 3.2 The School may, in limited circumstances, provide remote education to enable pupils, who are well enough to learn but unable to attend the School site, to keep pace with their education.
- 3.3 In the limited circumstances when the School decides to use remote education for individual pupils when they are absent, the following will be considered:
 - 3.3.1 ensuring mutual agreement of remote education by the School, Parents or carers, potentially pupils, and if appropriate a relevant medical professional. If the pupil has an Education, Health and Care plan or has a social worker, the local authority should also be involved in the decision;
 - 3.3.2 if remote education is being used as part of a plan to reintegrate back to school, putting a formal arrangement in place to review its efficacy regularly,

⁴⁶ Please refer to the footnote at Appendix 1 clause 8 above and Regulation 11 for leaves of absence and chapter 2 "Granting leaves of absence" of [Working together to improve school attendance 2024](#), paragraph 37, which states that all schools are expected to restrict leaves of absence to the specific circumstances set out in Regulation 11. The DfE released a practice note in April 2025 confirming that Regulation 11 (leaves of absence) does not apply to independent schools but that independent schools must have regard to the statutory guidance and must follow it unless they good reason to deviate from it in an individual case. For internal examination leave (mock leave), independent schools are likely to rely on the granting of leave under code C pursuant to paragraph 350 of the statutory guidance.

⁴⁷ Code Y7 (Unable to attend because of any other unavoidable cause) is part of "absent - unable to attend school because of unavoidable cause". See Regulation 10(4) table 3 and chapter 8 of [Working together to improve school attendance 2024](#). The DfE has confirmed that code Y7 is the correct code for independent schools to use where a pupil is excluded for non-payment of fees pursuant to the terms and conditions of the parent contract - a "non-disciplinary exclusion". There is no express obligation on an independent school to report a Y7 absence to the local authority pursuant to Regulation 13 (Returns) and the statutory guidance for local authorities, [Children Missing Education, August 2024](#).

⁴⁸ Schools should refer to regulation 10 of The School Attendance (Pupil Registration) (England) Regulations 2024 to ensure they are correctly recording reasons for absence and the applicable commentary in chapter 8 of the statutory guidance [Working together to improve school attendance 2024](#).

alongside identifying what other support and flexibilities can be put in place to help ease the pupil back to school at the earliest opportunity;

3.3.3 setting a time limit within which the period of remote education provision should be reviewed, with the aim that the pupil returns to in person education with the required support in place to meet their needs.

3.4 Pupils who are absent from school and receiving remote education still need to be recorded as absent using the most appropriate absence code. The School will keep a record of, and monitor pupil's engagement with remote education, but this is not formally tracked in the attendance register. Where appropriate, this information may be used to make plans for a pupil's reintegration to school.

3.5 The School will utilise a digital education platform that will be kept up-to-date and keep pupils safe. Staff will remain trained and confident in its use.

4 Unauthorised absence

4.1 The "unauthorised absence" code will be used when prior permission for absence has not been given and where the School is not satisfied with the explanation given for absence or delayed attendance or where no explanation has been given meaning that the code for "unable to attend due to an exceptional circumstance" is not appropriate. Examples include:

4.1.1 holiday has not been authorised by the School or is in excess of the period determined by the Head to grant permission;

4.1.2 the reason for absence has not been provided;

4.1.3 a pupil is absent from school without authorisation;

4.1.4 a pupil has arrived in school after registration has closed and without reasonable explanation.
